Character Introductions

Eris Household

Alias: The Family of Swords. For generation after generation, a distinguished family that was entrusted with being the guard of the King of the Roland Empire, and a mysterious family that decidedly does not stand at the front stage of politics. That power is rumored to be the strongest.

Ferris • Eris

The eldest daughter of the Eris Household. Holds superhuman swordsmanship ability, and rescued Sion from the crisis of being hunted by assassins. From Sion, [Please become my comrade!] is suggested. By the way, her favorite food is dango, and she is especially interested in that of the Wynett Dango Shop.

Kiefer • Knolles

At the academy, a girl that was in the same group as Sion and the others. With Ryner, her wish is [I want to run away together], but because of his complex of his own [eyes] that he confronts, Ryner, who is unable to escape, did not comply. In truth, she is a spy in Roland that was caught with her family being held hostage.

Roland Empire

The nation located in the south in the Menoris Continent. The present ruling class are the royalty: nobles who have been corrupt, and are willing to misgovern in every possible way. Here for several years, although they have not suffered from calamity because of the war, to take advantage of the crisis of the neighboring country

Estabul which suffered from bad weather, they scheme to invade Estabul. Also on the contrary, Estabul as well, for the sake of overcoming this crisis, will be invading as well. Now here, the war for which the end cannot be seen has begun.....

Ryner • Lute

Even though he is in academy, he is the greatest dance. Always lacking motivation, he desires indolence. But, in reality is the owner of the magic eyes [Copy Eyes (Alpha • Stigma)], and is a peerless magician. As for that power, the Estabul Royal Order of the Knights was annihilated by it in an instant.

Sion • Astal

The illegitimate son of the current Roland King. For the sake of granting a dream that is said to be "making [a nation where everyone laugh and live]", he resolves to become [King]. Within the Royal Academy, he boasts the highest grades, and acquires a confidence that has no equal even from the other students. He holds an unusual interest in the disposition that Ryner holds.

Sion and the Others' Party

Among the students of Roland Empire Royal Military Affairs Special Academy, due to Sion's planning, naturally they were supposed to be assigned at a location far from the battlefield, but, suddenly, they take on the attack of the Estabul Royal Magic Order of the Knights, and were almost completely annihilated.

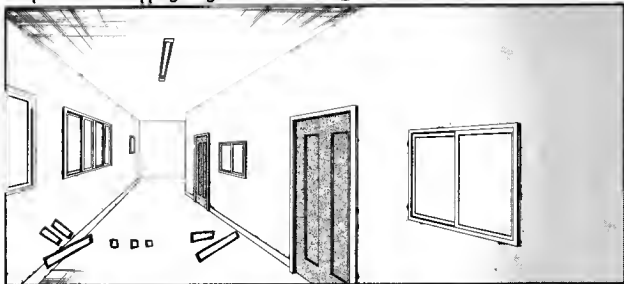

「Go around the various places of the world、 and go and gather the "Hero Relics"!」

Ryner • Lute had his head in the clouds in high spirits。 While putting aside the various precious sacrifices、 after the war between Roland and Estabul ended、 he who was regarded as dangerous by the army was imprisoned。 Ryner、 delighted with 「It's all-you-can-sleep—」、 was spending the excess time he had in lazing around and in researching as a hobby。 However、 the times did not allow him to live out days of tranquility。 Before he knew it、 due to a scheme by Sion who had been completely elevated to even the status of monarch、 he was ordered to investigate the

「Hero Relics」 。 His journey's partner is the surpassingly beautiful、 remarkably skilled、 ruthlessly peerless、 and dango lover Swordsman • Ferris。 Even while unwilling、 2 people begin their journey to the foreign place Imperial Nelpha、 while in the vicinity of the new King Sion、 they who scheme his downfall stealthily maneuver.....。 As for what is reflected in Ryner's

『Eyes』、 is just what kind of world? The Anti • Heroic • Saga with a new sensation、 somehow or another、 it's time to set off!!

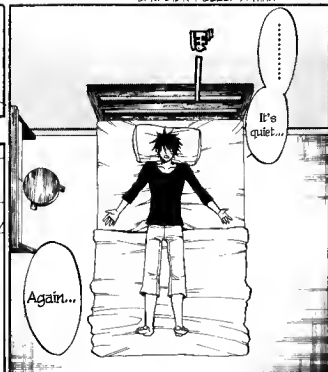

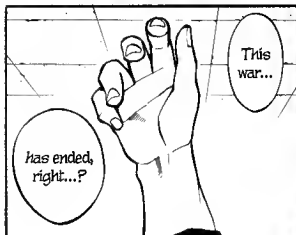

SFX: SILENCE

SFX: DIDN'T SLEEP A WINK

Seriously,
you'll never
change!

SFX: WOOSH

SFX: BOOING

Hey,
Ryner!!

SFX: CRASH

Forget
that, you've
gotta get
out of here,
now!!

Slowly
Ah! It's
been a
while,
Sion!

If you keep
fooling around
here, you're
gonna be
arrested!!

Hm?

Any moment
now, soldiers
will be coming
to arrest you!

The other day,
the top brass of the
military decided that
leaving your Alpha
Stigma unchecked
was dangerous!!

should be the hero
who single-handedly
annihilated Estabul's
strongest Magical
Knights...

Heh...

After all,
the one to be
sought-after
by society...

Why's
that?

In other words, I am a manufactured hero,

"The man descended from royalty, who made Estabul surrender." It's good propaganda.

The military wants to obtain the populace's support. In order to gain that support, they will promote the hero.

Sion,

It's been arranged so that it's you, right?

You know...

That's why you've been promoted into the military's top brass...

Hm? So, then why am I going to be arrested?

It's for the sake of public appearances.

That's why they'll keep you in prison.

That seems to be the end result.

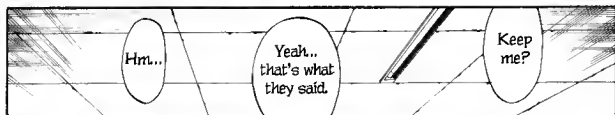

That being said, they don't want to part from even a little power, so they won't kill you.

And they're afraid.

Until now, they've been oppressing you only a little, in fear of retaliation.

But, the actuality is that the top brass know that you were the one who annihilated Estabul's Magic Knights...

Hm...

Yeah.. that's what they said.

Keep me?

SFX: SURPRISE

Kiefer?

How is...

But Sion, you know everything! Getting promoted!

Hey! You know that soldiers will be here soon, right!? Hurry up and prepare yourself...

By the way, I want you to listen to me for a bit...

SFX: SHRUG

She was
dispatched as
an Estabulan spy
to Roland.

Kiefer...

Has been
arrested.

The reason
was, to put it
simply...

No... the truth
seems to be that she
and her older and
younger sisters
were dispatched
together,

but
Roland's
army wasn't
so naïve;

and their goal
was to ensnare
Roland's Magic
Knights in a trap
during the war.

when their
true colors
were revealed
early on,

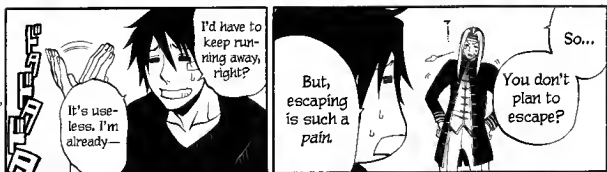

and her
younger
sister was
taken hos-
tage.

kiefer's
older sister
was killed on
the spot,

They
were to leak
information
to Estabul,

we have
promised to
grant you one
wish upon your
successful
arrest!

If you
have a wish,
declare it!!

Now,
because
the King
is merci-
ful,

That's
what I
said.

Ah—
they really
are fast.

Huh?

Merci-
ful...

Then, I'll
be tied up
for a bit.

See ya,
Sion!

That's... This
time around,
the King has
become ex-
tremely scared
of the "Alpha
Stigma".

That's why
I'll quietly
accept this
"carrot and
stick"
approach.

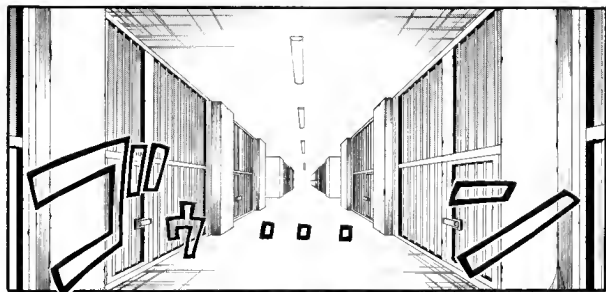

Well...
I've already
decided on
my wish.

See
you.

Yeah
...

SFX: SNAP SNAP

SFX: DOOM

SFX: SHRIEK

Wow... it's
more com-
fortable than
I'd have
thought!

It looks
like I can
sleep well,
but...

SFX: ARGH

SFX: ARGH

SFX: SNAP SNAP

カリン

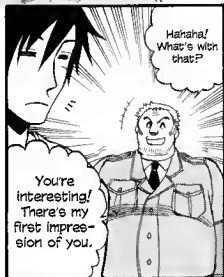

Hm... is that so?

カリン

When there are three meals a day and afternoon naps, I'd have thought there'd be plenty of guys happy to come to prison.

Walk faster.

Honestly, this is the first time I've seen a guy happily walk into prison.

SFX: SURPRISE

SFX: SNAP SNAP

SFX: SNAP SNAP

SFX: HOLLOW LAUGH

SFX: GRUNT GRUNT

SFX: CLACK CLACK

SFX: DISHEARTENED

SFX: EXHALES

SFX: RUSTLE

SFX: SHOCK

SFX: GLARE GLARE

SFX: EHHHH?

SFX: WRONG ANSWER

Your
younger
sister has
already
died;

it seems
that she
was killed
a while
ago.

So...

So,
that's
it...

Did you
come to tor-
ture me, the
traitor? Or did
you come to
kill me?

You're
also an un-
derling of
Roland...

SFX:
DRIP
DROP

SFX: GASP

Why
...?

Wh—

SFX: SHAKE SHAKE

Why...?

That,
the
country's
top brass
only...

Why do
you know
that?

Did you know everything!?

Did you know and ridicule me!?

I said I liked you...

Did you laugh at this ridiculous woman!?

I didn't want to hear that... that my sister had died...

And—!

I didn't want to hear it from your mouth, Ryner...!

Why do you all torment us!?

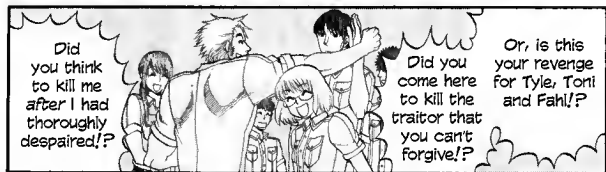

Why don't you just kill us!?

Why!?

SFX:
GASP

SFX: GASP

Did you think to kill me after I had thoroughly despaired!?

Did you come here to kill the traitor that you can't forgive!?

Or, is this your revenge for Tyle, Toni and Fah!?

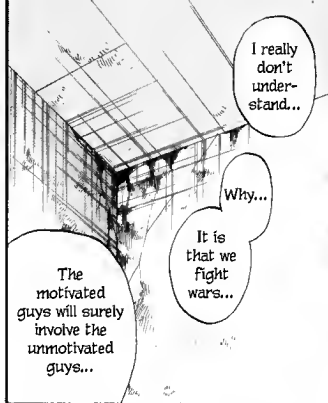

I couldn't do anything!

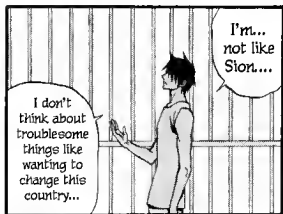

What would have been the best thing for me to do!?

I vaguely realized... that she had been killed...

But... but there was nothing I could do...

SFX: WHOOSH

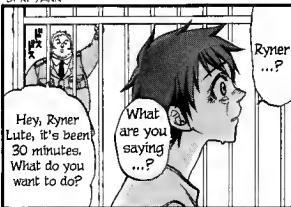

SFX: CLENCH

SFX: YANK

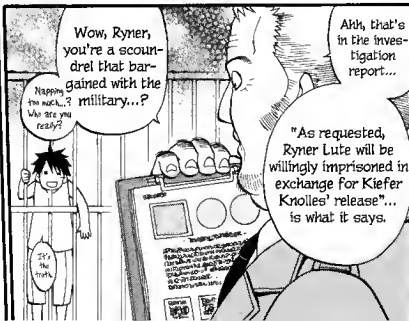

SFX: OPENS... CLOSSES

ガッシャ...ン

SFX: SLOWLY

they're
monsters,
Kiefer.

People
who kill
aren't
people;

War is a
monster.

Countries
are monsters,
greed is a
monster.

And,

as am
I...

But,
Kiefer is
human!

That's
why there's
no reason
for Kiefer
to worry.

Now, here's
the Kingdom
of Afternoon
Naps, and I am
the ruling king.

Got
it?

SFX: CLANK

SFX: YANK

Hey,
whoa!?

So, you
should do
your best
outside
too—

SFX: RUFFLE

Now, I know.

I...
wondered why I liked you, Ryner.

So, you aren't a monster... I guarantee it.

If you call yourself a monster a second time, I won't forgive you.

In truth, it's because you are kind... because you're strong...

So...

I didn't need to be vigilant around you, because you weren't motivated... and you made me feel

That at ease...
was what I'd thought, but I was wrong...

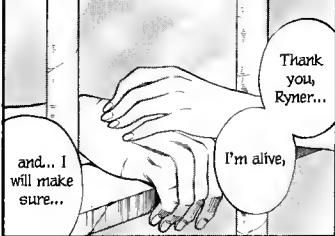

SFX: RUSTLE

and... I
will make
sure...

Thank
you,
Ryner...

I'm alive,

Let's
go.

SFX: THUMP THUMP THUMP

I'm... just
gonna rest
here after
that kiss.

I thought
I was going
to suffo-
cate.

Ph-
woar!

SFX: RUSTLE RUSTLE

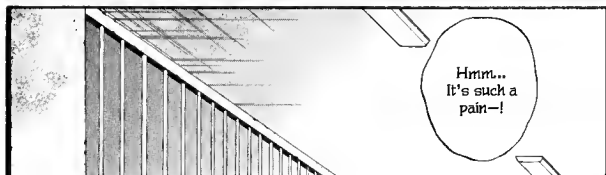

Hehe...

I guess
I'll look that
up, huh?

Well, I
have plenty
of time,
but—

Ahh... My
character
isn't one to
persevere,
yet...

Hmm...
It's such a
pain—!

welcome
to House
Eris.

And, once
again,

It's nice
to meet you,
Sion Astal.

SFX: FLICKER

ほう

Lucile
Eris.

I am the
current head
of House
Eris,

There is
only one
question.

But, there
is a condition
to answering
the question.

That's right.
Questions to
judge whether
you are suit-
able or not...

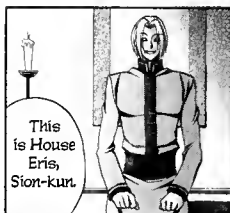

A
condition?

Ques-
tions?

But
specifically,
the reason
you came
today,

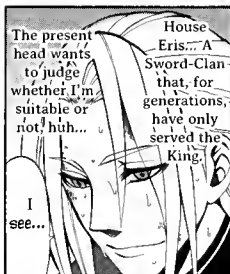

was to
answer my
questions.

First, I guess
I should con-
gratulate you
upon your safe
return from
the jaws of
death...

This
is House
Eris,
Sion-kurt.

SFX: COUGH...

The present
head wants
to judge
whether I'm
suitable or
not, huh...

House
Eris... A
Sword-Clan
that, for
generations,
have only
served the
King.

I
see...

No...

How trivial...
do you plan on
losing your life
here, just after
regaining it
from the
battlefield?

I'd already
decided on my
answer at the
battlefield,
Ferris.

Please,
be at ease;
it will be
painless.

???

Your
head will be
separated
from your
body, and
before you
even realize
it, you'll be
dead.

SFX: SCREECH

I will
ask you a
question,

and you are
to answer it...
If your answer
does not please
me, I will kill
you.

Even...

For that
reason,
I will
accept
anything.

Before,
the
ones
who
stood
still
were
com-
pletely
elim-
inated.

That's
right. I
can no
longer
stand
still.

Note: "Ferris wearing military uniform is like Takaradzuka..." - This is referring to "Takaradzuka Revue". Wikipedia "Takaradzuka Revue" and you will see. If you don't want to Wiki it, Takaradzuka, or Zuka (Dzuka) for short, is a famous female-only theatre troupe in Japan. Female-only means that women dress up as men in their shows. So the line is saying that Ferris looks like a Zuka member dressed up as a man.

Ferris wearing

As for Kiefer, I
think that military
uniforms suit her.

I think that girls in
military uniforms are more
wonderful than in dresses.

Chapter 5

The Napping Kingdom's Ambition ⑤

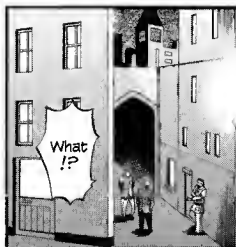

but even though they may have parted in various ways, time still marched on.

They have each taken their separate paths,

What !?

Hey... have you heard!?

Apparently, people are saying Roland's King is going to declare war on the Nelpa Empire soon.

Those precious days quickly passed by,

And time continued...

You won't allow it huh...

Have we become a nation of cutthroats?

Are they saying there hasn't been enough death!?

I won't allow that!!

And this was the spark...

The war with Estabul is finally over after so long, and yet...

What is the King—what are the nobility thinking!?

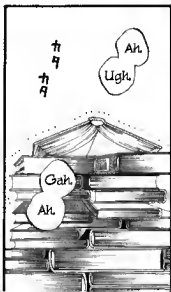

Thus, two
years had
passed

However,
since he was
in prison, he
had no idea...

This unbeliev-
able revolution
was brilliantly
executed, but
even so, that
year was a
tumultuous one.

Almost suffocated.

Haa,
haa.

Not good...

I got buried by books when I was sleeping.

Gonna sleep.

Hah,
I'm still sleepy.

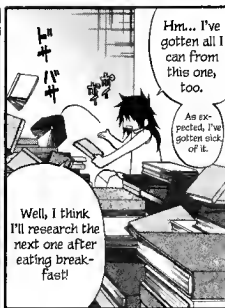

U w a a a a a h ! !

I wonder what's for breakfast today!

I'm looking forward to it a bit... Yesterday's was terrible, but if today's is worse...

Well, I think I'll research the next one after eating breakfast!

Hm... I've gotten all I can from this one, too.

As expected, I've gotten sick of it.

What?
What's with
that sched-
ule!?

first you have to
take a bath, and then
fix up your appear-
ance, change into
some clothes they
provided, have dinner
at a high-class
restaurant...

Um,

Do
prisoners in
this country
always get
such luxuries
when they're
going to be
executed!?

!?

What
should I
do after
this?

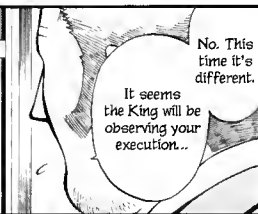

So?

The entire
schedule
for today was
written on the
declaration; you
have to follow
me around and
do different
things.

Hmm
...

Even if
you're a death
row convict, if
you appear before
the King, you
need a suitable
appearance...

No. This
time it's
different.

It seems
the King will be
observing your
execution...

Seriously?
Please. I
put my all
into it...

The
decree
said that
you couldn't
...

Hey! Is that
the death row
convict!?

...So,
shall we
leave?

Ah!

Please hang
on a sec! Can
I bring my re-
search report
with me?

I see... The
King is afraid of
the 'Alpha Stigma',
so he wants to
confirm my
death with his
own eyes...

So my life
as a pet
has ended!

Hey.

Ah,
you're
too
gloomy!

Hmm,
there.

Still, these
clothes are
really easy
to move in!

Isn't this the
Magic Knight's
Crest...? Why
would they give
something like
this to a death
row convict?

It looks
like a perfect
day for an
execution

Hnn!

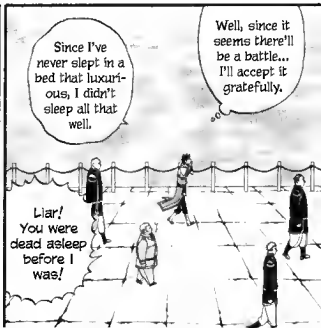

Hey,
you...

How can you
be so calm
right before
your execu-
tion!?

I didn't
sleep at
all.

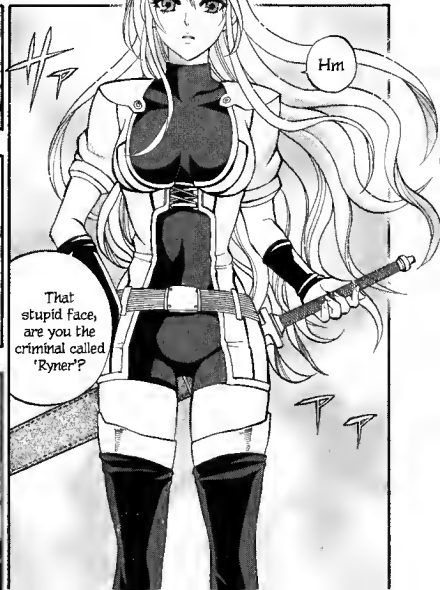

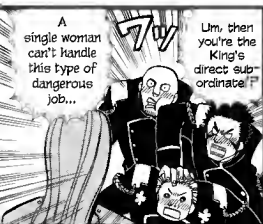

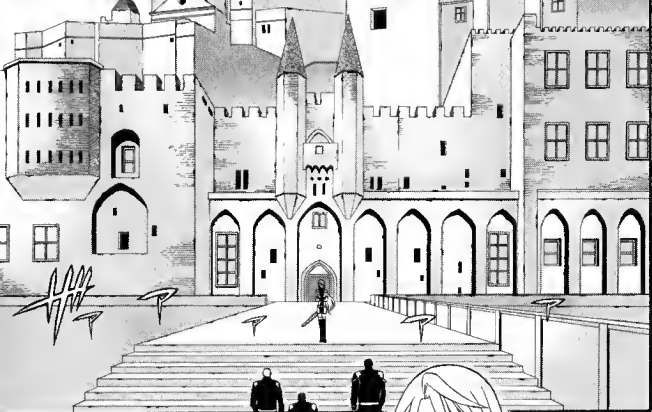

Well,
my spirit is
unexpectedly
steady!

Since I've
never slept in a
bed that luxuri-
ous, I didn't
sleep all that
well.

Well, since it
seems there'll
be a battle...
I'll accept it
gratefully.

Liar!
You were
dead asleep
before I
was!

Let me
restate:

Disap-
pear.

You keep
fussing
over me
right up
'till the
end...

Ryner
...

Ah,
that's
right.

Thanks for
everything,
really. See
ya.

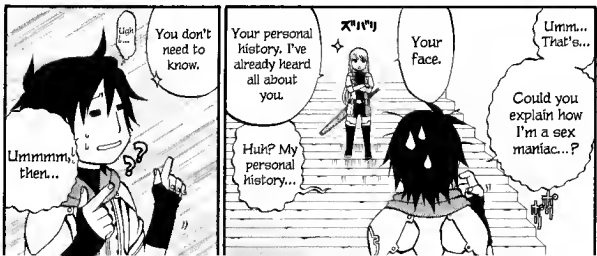

Then, Ryner...
This is fare-
well...

...I under-
stand! You
can't be
worried in
front of
me!

Fare-
well!!

Someday,
I'm
sorry...

Ser...

Seriously...

Cutting the magic circle...

I guess I'll have to get serious, or else I'll die!

Well... about 7 percent?

Hmm... You weren't serious just now?

Hmm... I see

Sorry, but...

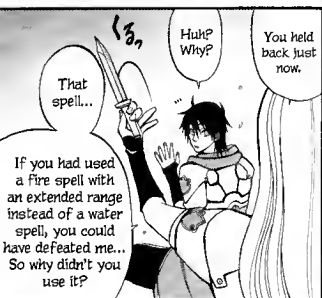

I have to escape.

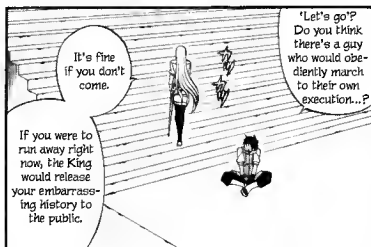

What I seek is lightning—

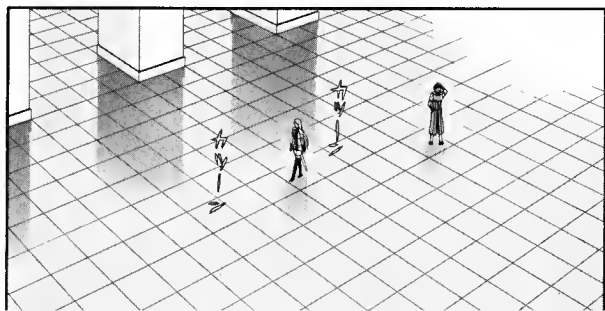

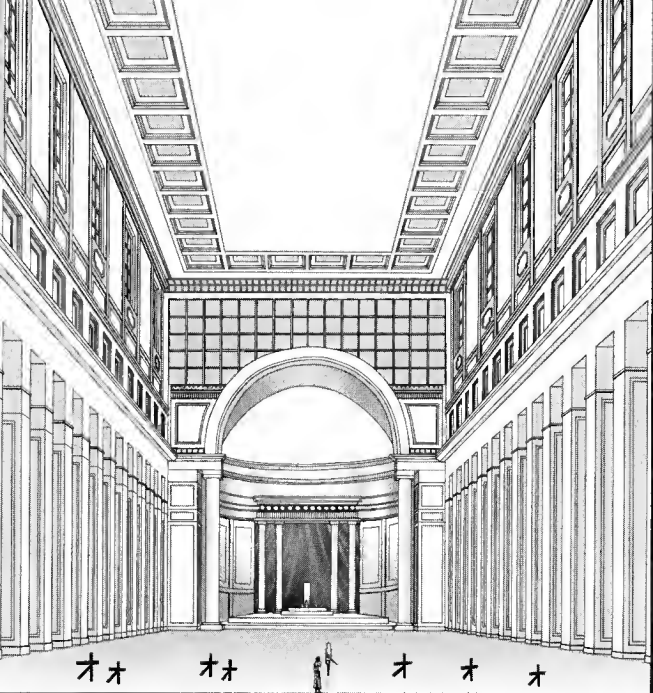

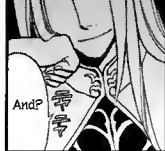

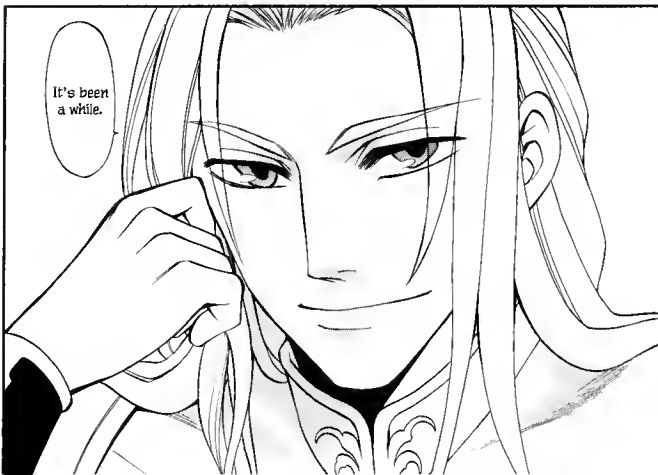

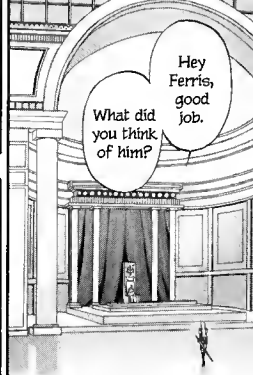

In addition,
he's always
sleepy, and
it looks like
he lacks
motivation.

to my
palace.

Welcome,
Ryner,

Ha
ha
ha

Then,
good
night!

It seems
I'm already
exhausted, so
I'll just sleep
for the rest of
the day.

Hah
...

Hey, hey,
don't escape
from reality. I'm
really the King,
after all!

ソノ
ソノ

✱ Ryner

Wha—

She

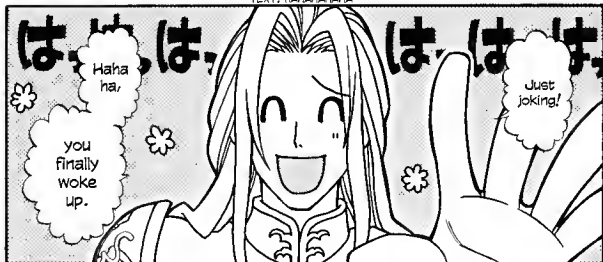

died.

Honestly, if you keep saying stuff like that, I won't tell you about Kiefer.

Don't care, Sleeping!

Doesn't matter...

TEXT: HAHAHAAAA

Haha
ha,

you
finally
woke
up.

Just
joking!

Not really...
If you don't
want to talk,
then I won't
listen.

Hm? You
want me to
tell you?

So? What's
Kiefer been
up to?

HAHAHA

Hah
...

That's
right... You
were that kind
of person.

She wanted
to visit many
other coun-
tries.

After
the situation
with Estabul
and Roland, she
might have
wanted to see
the world.

After
leaving you
in my care,
Kiefer left the
country.

Hey!

You-
That's-
!?

I wanted to
hear about
this.

Hmm
...

Well,

that wasn't
the reason I
called you
here today.

Furthermore,
the title of the
report was
something like
'To Create a
Kingdom of
Afternoon
Naps'-
Ha-ha-ha!

Don't
just go
around
reading
people's
reports.

I think
this is really
interesting.

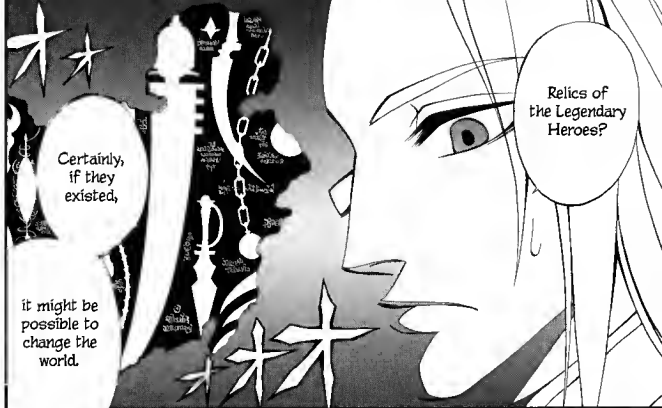

In only 2
years you've
uncovered a
vast amount
of detailed
information...

You seem
surprised.

Whoever
wrote this,

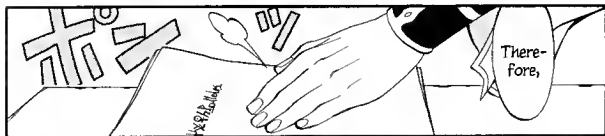

rather than
changing the
country, wrote
about changing
the world
itself.

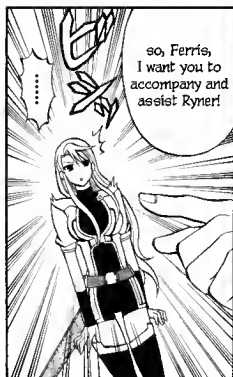

Certainly,
if they
existed,

it might be
possible to
change the
world.

Relics of
the Legendary
Heroes?

There-
fore,

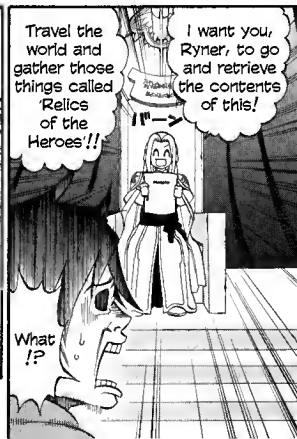

so, Ferris,
I want you to
accompany and
assist Ryner!

Wait a
second!
Why
me

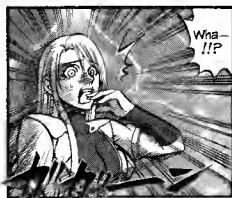

However,
I'm worried
Ryner might
slack off,

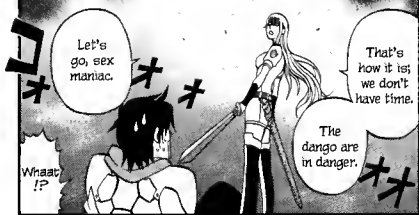

Travel the
world and
gather those
things called
'Relics
of the
Heroes!!'

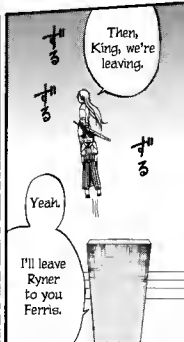

I want you,
Ryner, to go
and retrieve
the contents
of this!

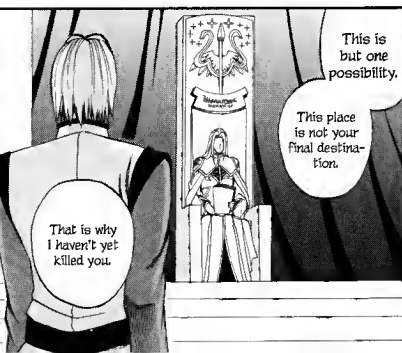

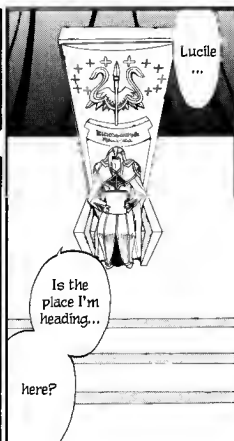

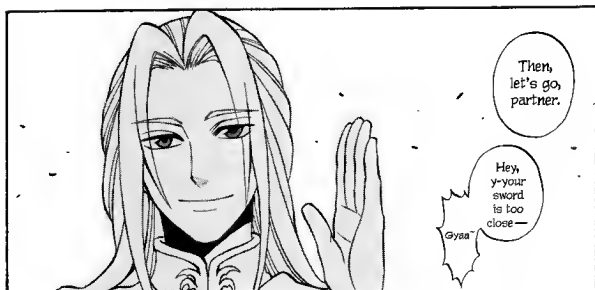

What
!?

TEXT: BACK-OF-THE-SWORD HOME RUN

Man

Even if

What is
the feeling

When a

What
about
when a

The

A new

How many

I've gone

why does this

Even though

to wish for

I need to
change
this, sad-
ness,

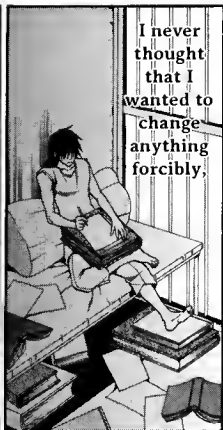

Because I

I never

forcibly,

I think
I should

moving
forward.

in order
to create a

and,

if I need

look back
at my

Up 'till

Where

In history—

However, this time, a human called **Legendary Hero**, the **Knight of Light**, and so forth appeared—

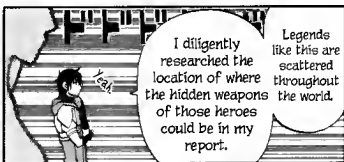

Until then, the **Demon King** had possessed an unbeatable power, but in a single moment, the human destroyed the manifestation of the **Demon King**.

A being, with a power so extraordinary it could cover the world, has appeared several times. These beings came to be known as **Demon Kings** or **Evil Gods**.

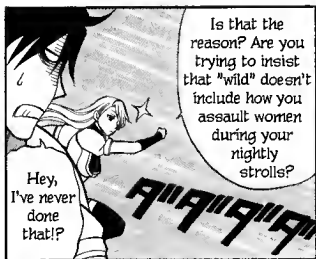

Each time, the world was destroyed at the hands of those so-called **Demon Kings**.

Now, here is the question:

Chapter 6
Trap Buster

Is that the reason? Are you trying to insist that "wild" doesn't include how you assault women during your nightly strolls?

Hey,
I've never
done
that!?

In the first place, I'm not very good with expeditions, adventures, and other wild things like that.

Haa!

What should we do, Ferris? We can't keep running!

I have
an idea...

Either way, if that water swallows us we'll die, right—!

It's dangerous.

Really!? Then why didn't you say so in the beginning!

I see. If you say so.

That's what everyone says when they are criminals.

That's fine, but...

the legendary demon king was defeated at the hands of the legendary hero... In other words, the relics are powerful 'weapons' that are available, right?

Continuing your conversation from before.

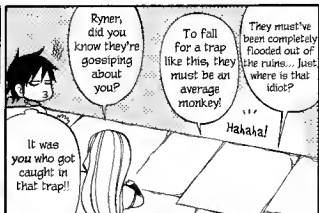

Before those extraordinary powers are used to start a war, we must stop them.

And that is why we must travel through other countries.

That is what you wrote in your report, correct?

What I
seek is an
invasion,
devourer

Light
Cancer!!

Y-You
cant be...

Wh-
Why
can this
guy use
Nelphe
magic...!?

The King
of Light
complies the
countless
moments—

Fufufu, I've
already analyzed
your magic and
its weak points!
And so—

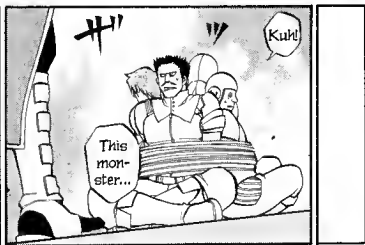

An 'Alpha Stigma' bearer...!?

Hey Ferris, as you requested, I've captured them.

It's not like I enjoy possessing the 'Alpha Stigma'...

This monster...

Kuh!

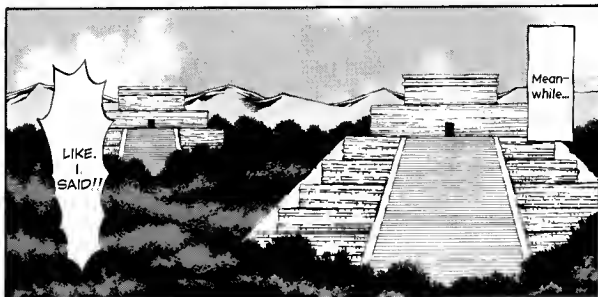

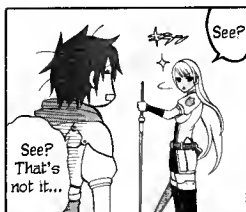

Hey, you... You could at least praise me for my work a little, y' know?

Wait, it feels like I've said that before...

Hm? Praise?

Now, Nelpha... We want to hear something from you.

Like I said,
we can't
return empty
handed!?

Excuse
me, Captain
Milk.

Ah! Again!
You always
treat me like
a child! It's
Captain
Callaud!

Enough
!!

However,
Captain
Milk...

No way!!
Absolutely
no way!!

I can't
return home
empty handed
when those
'taboo's are right
before me! It's a
disgrace to the
'Taboo' Pursuit
Squad!!

And the
written apology!

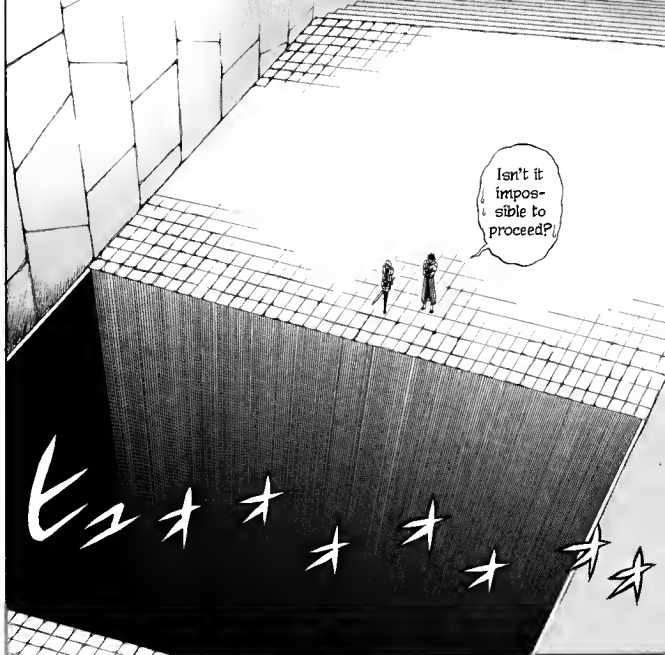

We should
just return
home for
once...

However,
those two
'taboo's are
too strong.

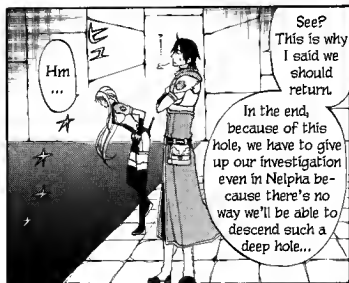

We can't
possibly
handle
them...

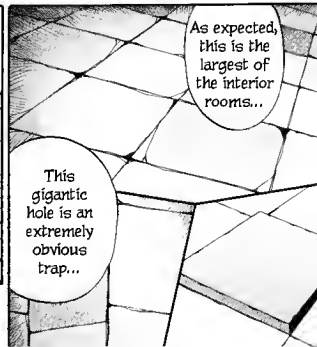

Isn't it impossible to proceed?

Hm ...

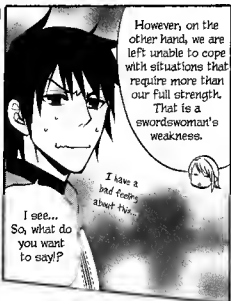

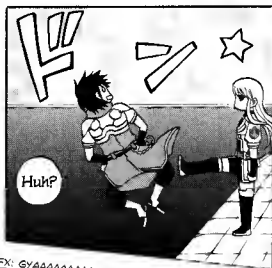

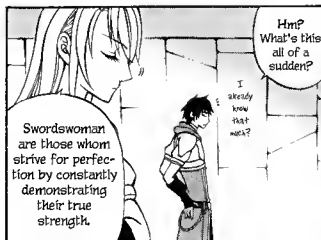

See?
This is why
I said we
should
return.

In the end,
because of this
hole, we have to give
up our investigation
even in Nelpha be-
cause there's no
way we'll be able to
descend such a
deep hole...

As expected,
this is the
largest of
the interior
rooms...

This
gigantic
hole is an
extremely
obvious
trap...

SFX: GYAAAAAAAAA

Did you
plunge
to your
death?

That's
too
severe
!!!

I-I have
to do
some-
thing...

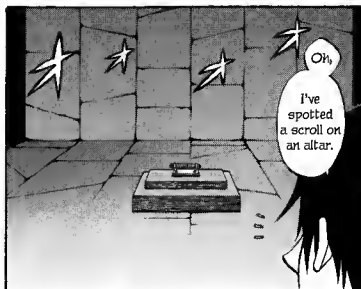

Ah!
Ah!

Bad, bad,
bad! At
this rate
I'll die!

Ah!

Hm

20 minutes later—

はーん

Fufufu,
this time,
I won't
let you
escape!

Well? A
perfect plan! As
planned, Ryner
has entered into
the hole and
cannot move!

Well done,
Captain!

With that, I'm
sure we'll turn
things around
from that written
apology and
get a salary
raise!

Hm... I
can't read
this.

Ryner,
can you?

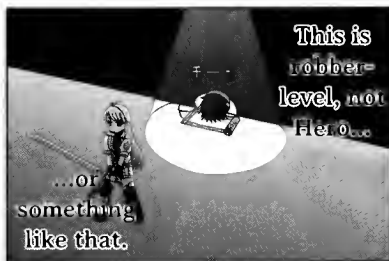

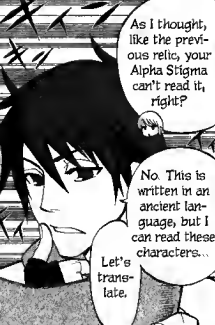

Alright!
This time
capture
them!!

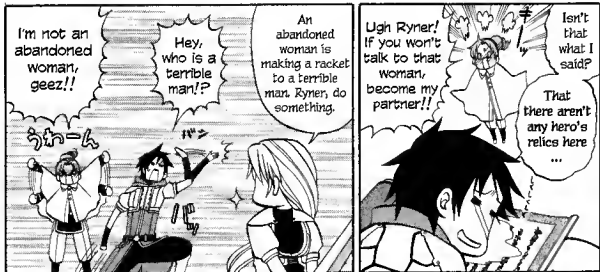

Under-
stood!!

Uwaa!

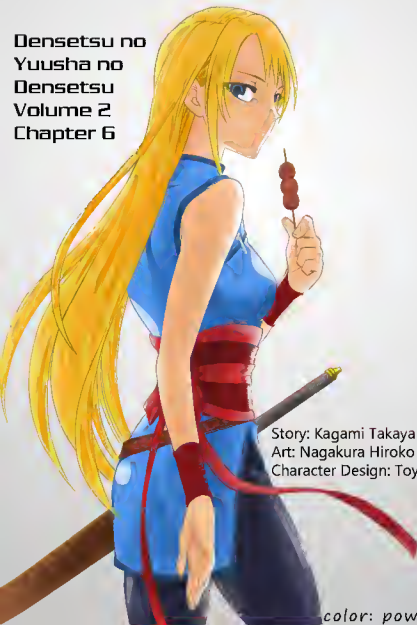

It's
you guys
again...

Chapter 7:
Destiny's Three-Legged Race ①

I, too,
don't plan on
dying, so...

You're
crying too
much.

How
long have
we been
apart...

I didn't
say you were
dying. IF it's
you, you'll just
stubbornly push
forward...

Every day,
I recited his
words like a
magic spell.

Won't
die!!

I won't
die...

That's
why, I
won't
die...

You must never disgrace the name of Callaud. You must be more skillful and more elegant than anyone else.

From now on you will bear the name Callaud, and enter the military.

After all,
I made a
promise
with him.

I could
not give
up and
die.

You un-
derstand,
right,
Milk?

No
matter
how
harsh...

That is
the reason
I bought
you.

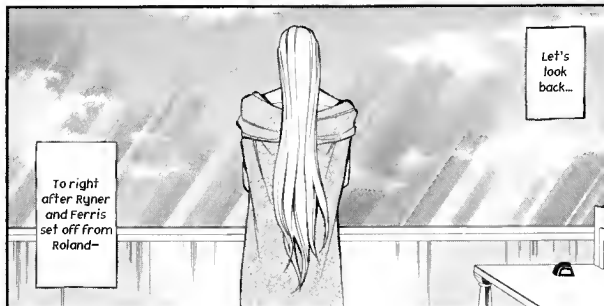

I promised I'd do my best.

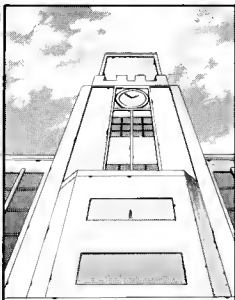

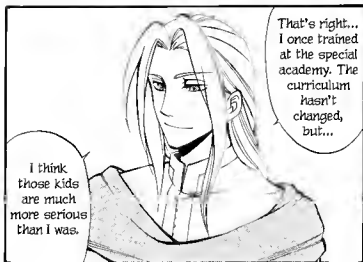

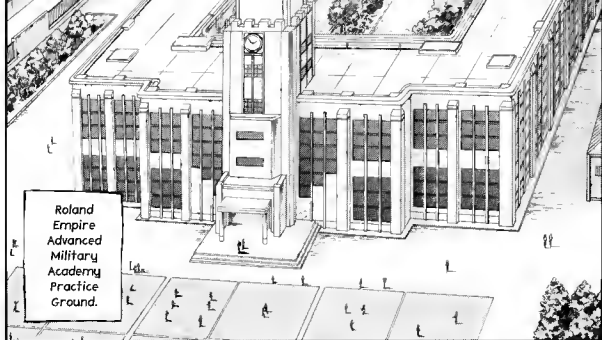

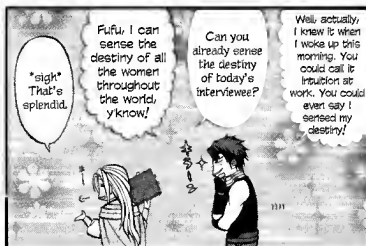

Chapter 7

Destiny's Three-Legged Race ①

Let's stop and sort things out.

She certainly has extraordinary grades, but...

In any case, why'd you go and pick a stinking noble? I can't expect anything from her.

Hmm...
Ah? What's this? Isn't she the daughter of House Callaud...?

ストン

So, that joke aside... What kind of talented person is she?

Well, see for yourself.

This and that are two different things!

That noble's daughter is gonna circle around you and beg. Weren't you the one saying it was a waste of time to get friendly with the nobles?

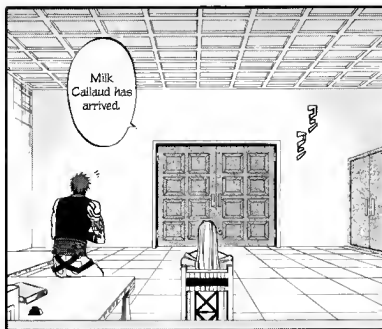

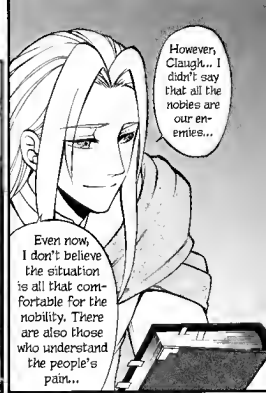

Seriously.

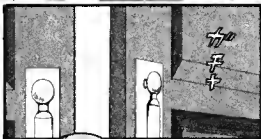

That's why we shouldn't let that noble's brat in. I'm sorry to say it, but she'll just deceive us and stab us in the back.

‘Sides, we aren't looking for talented nobles; our purpose is to find useful people that will follow you.

Even though you've become the king, most of the nobles either get in the way, or try to kill you...

You
may
enter.

Or maybe she used House Callaud's reputation to raise her grades dishonestly?

She's very different from how I imagined...

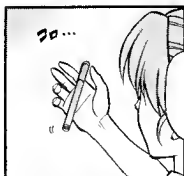

If she really isn't that talented...

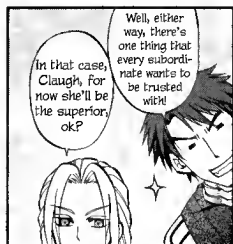

It'll hit.

Then she's unneeded!!

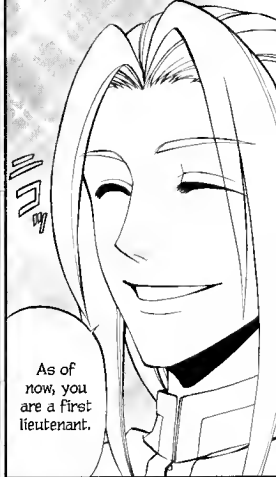

W H A A A A T !!?

Wait,

... Huh?

As of now, you are a first lieutenant.

Don't you think that your grades alone are enough?

삼삼삼

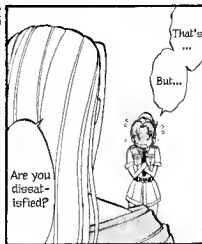

Plus... It'd be different if it was second lieutenant, but first!?

Ah, umm... but I still haven't graduated from the military academy!

But I think there are others who are more fitting!!

No! It is nothing of the sort!!

Are you dissatisfied?

That's ...

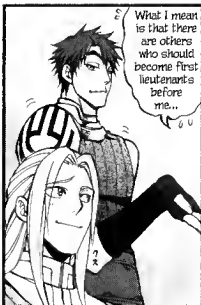

But...

Or perhaps...

Even though I think this is a clever promotion, it's going awry right before my eyes. Why are you hesitating?

Is it because of the weight you have to bear as a first lieutenant?

What I mean is that there are others who should become first lieutenants before me...

Huh?

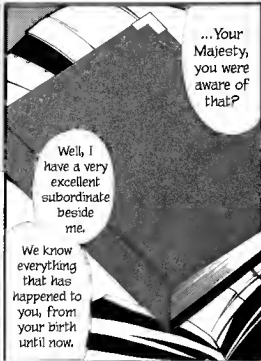

Is it because this goes against the expectations House Callaud had when they bought you?

For instance,

you were once...

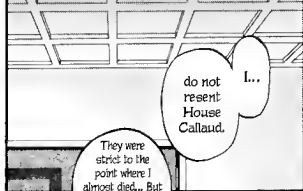

a member of Roland's 307 special privates.

...Your Majesty, you were aware of that?

Well, I have a very excellent subordinate beside me.

We know everything that has happened to you, from your birth until now.

do not
resent
House
Callaud.

I...

They were
strict to the
point where I
almost died... But
the reason I got this
far is because
they raised
me.

I believe that
if I can repay
their kindness,
I should.

...

So? What
is the
problem?

Why do
you con-
tinue to
hesitate?

Do you
not want to
follow me?

After all,
because I
was there,
I was able
to meet
him...

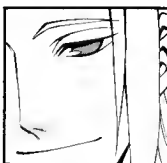

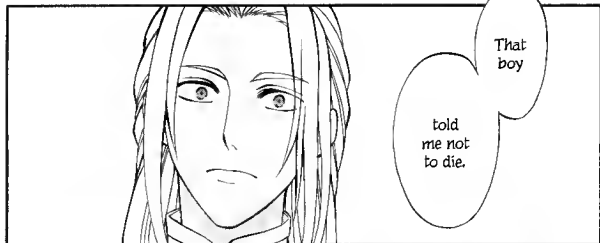

Even though
I felt like I was
going to die while
training at that
facility... And even
though my heart
felt like it would
die the day I was
bought by House
Callaud...

Besides,
regarding
Roland's 307
special pri-
vates.

I do not
hold any
grudges.

!

"I did
my best!"

That's
why,

I will gladly
accept this
promotion!

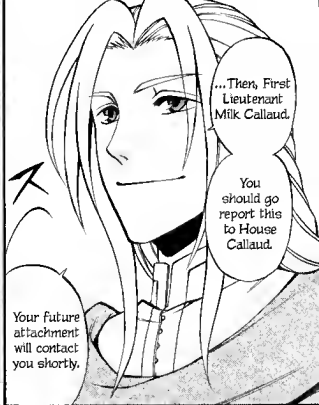

I believe
that some-
day we'll
meet again!

When
that time
comes, I
want to
stick out
my chest
and say:

Yes!

Thank
you very
much!

...Then, First
Lieutenant
Milk Callaud.

You
should go
report this
to House
Callaud.

Your future
attachment
will contact
you shortly.

So, any-
ways,

That kid...
Was it Milk?
Which attach-
ment do you
plan to put
her in?

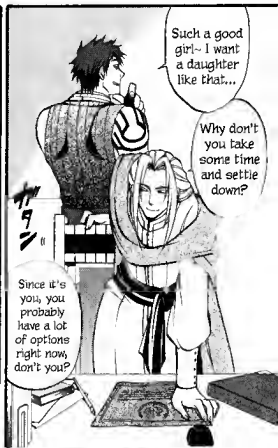

If I did
something
like that
I'd be
killed!

I have an
impartial
heart you
know!

So
you
say.

Well,
how many
people have
you gone
out with at
once?

Ha-
ha-
ha!

Such a good
girl~ I want
a daughter
like that...

Why don't
you take
some time
and settle
down?

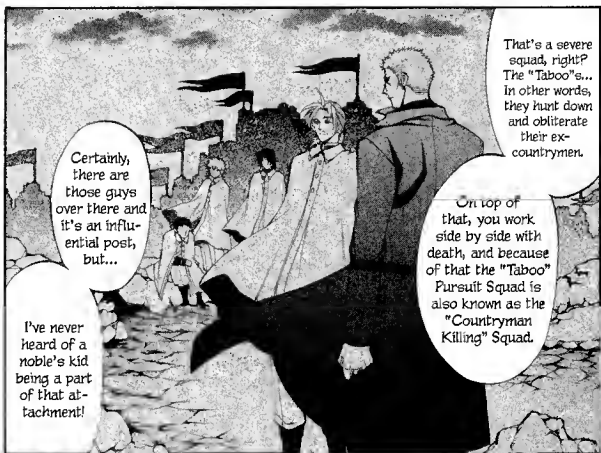

Since it's
you, you
probably
have a lot
of options
right now,
don't you?

Wait, why would you pick that squad...?

The "Taboo" Pursuit Squad.

Certainly, there are those guys over there and it's an influential post, but...

I've never heard of a noble's kid being a part of that attachment!

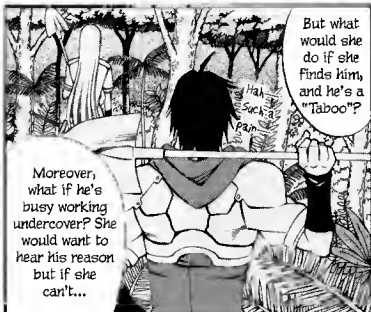

That's a severe squad, right? The "Taboo"s... In other words, they hunt down and obliterate their ex-countrymen.

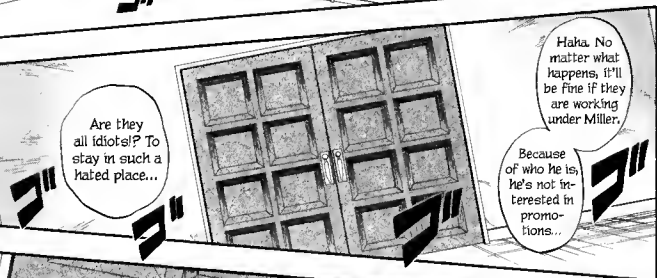

On top of that, you work side by side with death, and because of that the "Taboo" Pursuit Squad is also known as the "Countryman Killing" Squad.

Fufu.

Sion, what are you thinking?

My name
is Miran
Froaude.

Please,

allow me to
stand by your
Highness'
side.

Who are you!?

And I currently
hold the title of
Lieutenant Colonel
in the Roland
Empire's Army—

I am
Karlai
Froaude's
son...

Miran
Froaude.

Chapter 8:
Destiny's Three-Legged Race ②

Well,

I heard His Majesty will, at times, gather capable people secretly in order to oppose the nobles.

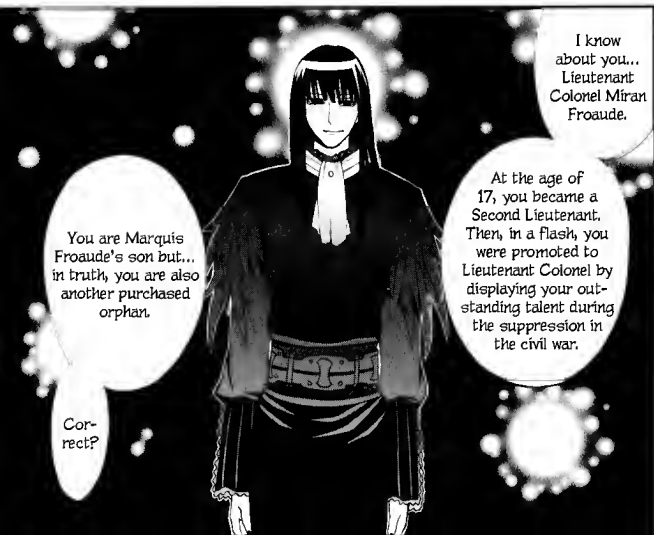

Hmm... So what business could a noble's son possibly have here?

Stand back, Clough.

Wha...? You!

I know about you... Lieutenant Colonel Miran Froaude.

At the age of 17, you became a Second Lieutenant. Then, in a flash, you were promoted to Lieutenant Colonel by displaying your outstanding talent during the suppression in the civil war.

You are Marquis Froaude's son but... in truth, you are also another purchased orphan.

Correct?

If you've
put two
and two
together,

you'd say,
"However, in
order to raise
your status and
complete mis-
sions, you used
extremely foul
methods. So,
what did you
do?"

"You were
meticulous
in winning over
Marquis Froaude's
faithful com-
rades," am I not
mistaken?

As one
would
expect...

of the
great Sion
Astal.

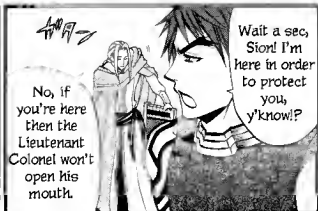

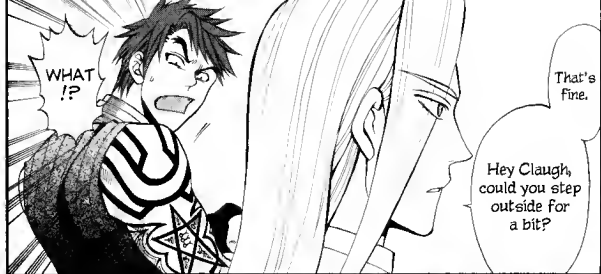

If you
wouldn't
mind...

So...

What
business
does
someone
like you
have with
me?

Hm?
What are
you...?

You have
already no-
ticed, yes?

I have come
because you
need me.

So?

What
business
do you have
with me?

How-
ever,

this is
insufficient to
obtain what you
truly desire,
correct?

As you can see,
Major General
Claugh Krom shines.
As does that Milk
Callaud from
before...

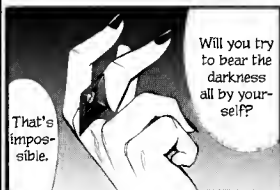

They walk by
your side and
similar to yourself,
walk in the path
of light.

You are
the light of
the country,
the ideal
person.

You may
have been
able to do it
until now.

You have
already
become
King.

That's
impos-
sible.

Will you try
to bear the
darkness
all by your-
self?

...You'll
bear my dark-
ness?
That's
quite a
large pro-
posal...

then, can
you tell me?
What it is I
truly wish
for?

In that case,
let me bear that
darkness.

So you can
obtain what you
truly desire.

To the King
who will become
Emperor of the
great Roland
Empire, I would
like to assist
you with your
dream.

I will devote
myself to
the entire
continent.

Of course.
Right now,
Roland has not
yet expanded
beyond the scat-
tered countries
of the Menoris
continent;
however...

Please
allow me
to be by
your
side...

And the
remaining
darkness I
will bear.

For this
purpose, I
am willing and
prepared to
personally
rebel against
my father.

Of
course,
Your Maj-
esty.

Those
are the
words
expected
from a
King.

What I
desire is
simply a
country
without any
conflict where
everyone
smiles.

Haha,
that it is
some
dream.

But did
you ever
consider that
I might have
a greater
one?

That is
what you
say my
dream
is?

This man...
he said it so
easily, even
though he
knows exactly
what it means.

Icy eyes...
and a
hollow
heart.

This is what
I desire...?

I...

To conquer the
Menoris Continent
and become the King
of the Great Roland
Empire!?

To throw the entire
Menoris Continent
into the flames of
war... a war we could
not win at this time...

This
isn't your
final des-
tination.

Certainly...
didn't Lucile
once say the
same...?

What I desire is
what my mother
wished for...
What Kiefer and
everyone else
wants. And what
he wished for...
A peaceful
world.

Hah.

How
absurd...

Ha...
haha.

As you
wish...

What
strange
things you
say, Miran
Froaude.

First,
could you
leave and
kill your
father?

Yet, he made
an extraordi-
nary decision
so sharply.

A man
shrouded in
darkness... He
is dangerous.

I am
extremely
grateful.

...Very
well. I'll let
you work
for me.

What are you doing here!?

Ah!

Major General Claugh!

Ah~ So noisy.

It's unusual for you to guard Sion so I was worried and came to check, and just like I thought, you're playing hooky!

We aren't cats and dogs! I want you to act a little more honourable!

Idiot. Helping out your senior is your job as a junior, right Calne?

Eto!!

You're too irresponsible anyway, Claugh!

The other day you made a move on a noble's daughter and when the parent found out, I had to deal with it!

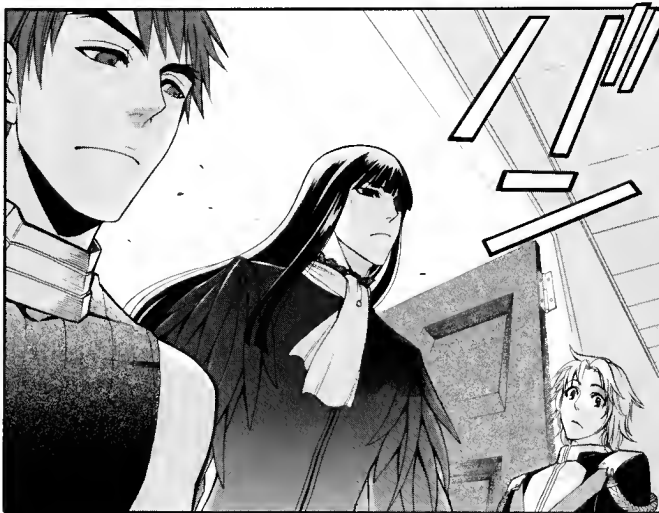

I know about you and Lord Perl's wife...

You expect me to be honourable?

I see.

Wah!

So, if we investigate Froaude...

Our job, right?

Man,
what a
troublesome
King.

...You're
far more
trouble-
some...

After
I finally
got it
straight
...

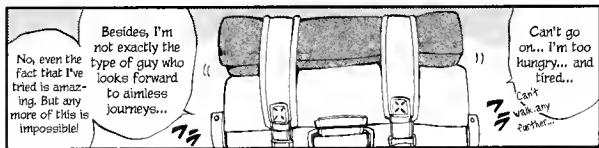

Else-
where...

Nelpha's
Imperial
Capital
Elarun

I'm ex-
hausted...

Hah...

No, even the
fact that I've
tried is amaz-
ing. But any
more of this is
impossible!

Besides, I'm
not exactly the
type of guy who
looks forward
to aimless
journeys...

Can't go
on... I'm too
hungry... and
tired...

Can't
walk any
further...

When such a man invites a woman to an inn, he'll definitely tell her things like, "Don't worry, nothing will happen. I'm completely exhausted so we'll only sleep."

Alright! Now that we're finally in the capital, let's go to an inn! An inn!

Hmm... heading to an inn with a woman in the middle of the day... I see.

Then you'll ambush her.

You sex maniac.

I'll be able to sleep for ten days straight!

No! Wait! You know I would never do such a thing!

Wait. How can you say such a ridiculous thing so seriously...?

And when you finally arrive at the inn, you'll transform into a beast and run rampant!

Wait.... What? Fooling around?

Well, the time to fool around has ended. First we have to find the library, right?

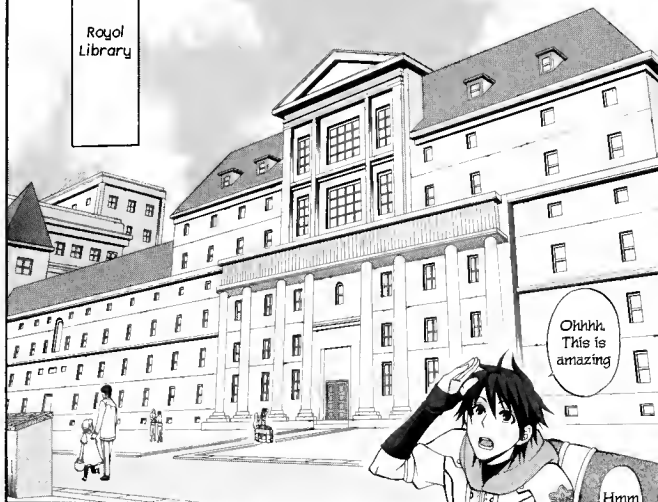

How did it come to this!?

Also what was with that peace just now!?

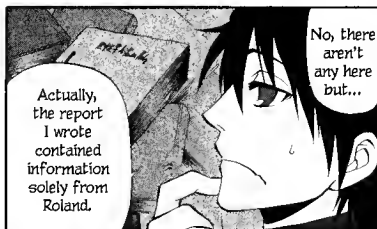

Hmmm, if that's what you say, for a Master Pervert like yourself there's no reason to go about it in such a round-about way.

Royal
Library

Ohhhh.
This is
amazing

Hmm
...

No, there
aren't
any here
but...

Actually,
the report
I wrote
contained
information
solely from
Roland.

That caused
some terrible
days.

That's why
Imperial Nelpha's
legends need to be
researched here
and I also don't
know their exact
locations so...

I see.

The next
hero relic
is here?

Hey,
wait a
minute!

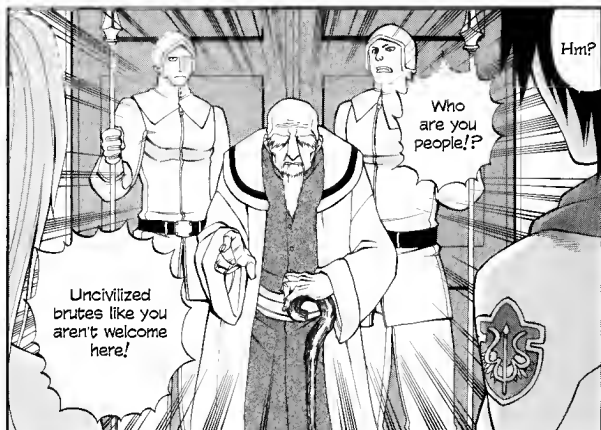

You! Starting
right now, I'm
going to try
really hard so
just wait!

Ugh
...

ドキッ

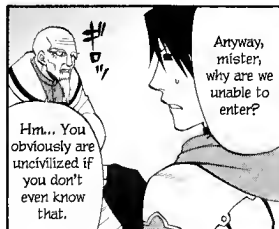

In that case,
hurry up and
start your
research.

Hm?

Who
are you
people!?

Uncivilized
brutes like you
aren't welcome
here!

Anyway,
mister,
why are we
unable to
enter?

Hm... You
obviously are
uncivilized if
you don't
even know
that.

What?
Uncivi-
lized?

Probably
because of
your nightly
strolls where
you assault
women.

Alright,
just
shut up!

It's
inexcusable
to enter this
place wearing
weapons and
armor!

This
library is
filled with
sacred
knowledge!

Hey! Your
sword is far
more prob-
lematic!

Certainly,
having an armed
sex maniac is
extremely dan-
gerous.

Ah
Well, it
doesn't
exactly
match a
library.

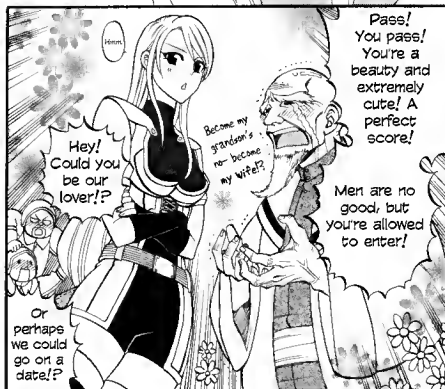

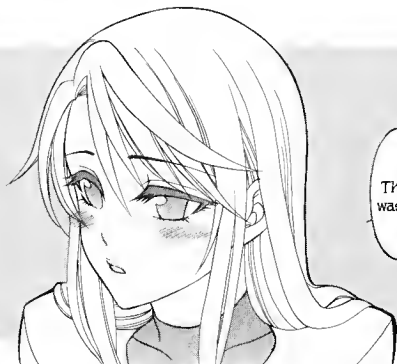

There is never a
problem concerning
what a beautiful
person wears.

ホ
ッ

...A
joke.

That
was...

Pass!
You pass!
You're a
beauty and
extremely
cute! A
perfect
score!

Men are no
good, but
you're allowed
to enter!

Hey!
Could you
be our
lover!?

Or
perhaps
we could
go on a
date!?

Become my
grandson's
no- become
my wife?

P-

?

Kyaaa!

What
the
hell...?

Nope!

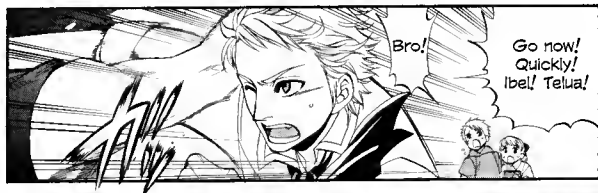

What...!?

Take the chance while I'm fighting to run away!

Can you win!?

T-Toale, are you alright!?

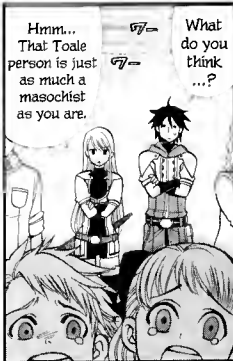

Bro!

Go now! Quickly! Ibel! Telua!

Hm? Now you have your eyes set on that girl? I won't tolerate a villain like you while I'm around.

...No, not that... Should we help him out or not?

Hmm... That Toale person is just as much a masochist as you are.

What do you think...?

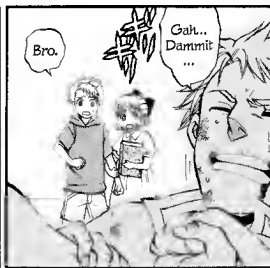

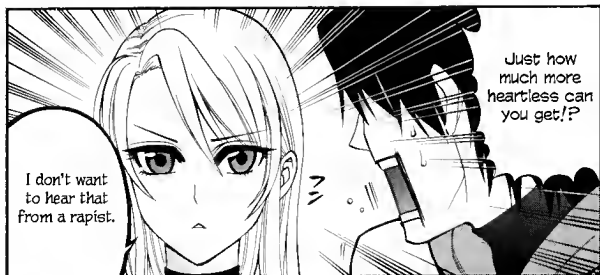

It's a pain.

Same.

Hm, why don't you go and save them?

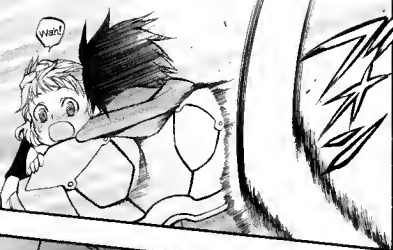

What are you talking about? That'll get good people like me arrested!

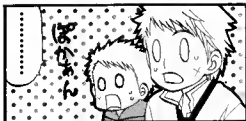

Look, let's just go and save them.

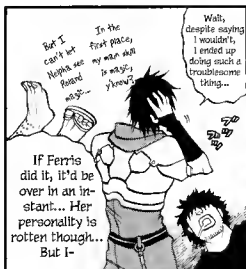

チーン

And we're done.

But I can't let Alpha see Round 10...
In the first place, my main skill is magic, y'know?

Wait, despite saying I wouldn't, I ended up doing such a troublesome thing...

If Ferris did it, it'd be over in an instant... Her personality is rotten though... But I-

Wha—?

Gyaaaaa!

You heard me!? It hurts, it hurts! I'm sorry!

Why did you...? Guah ...

Whose personality is rotten?

Ferris...

Hm, with that all the villains have been eliminated.

Ah...? Right, right.

If that didn't happen, I'd have no reason to get involved in this mess.

Hah, I give up.

There's no reason why we can't enter the library...

Ah... So what do we do now?

Huh?

Hm? You don't have any business with the girl who protected the book?

U... um?

Wait, you didn't even try to help before!

I see... As I thought, you have a sick attachment to her...

That's ...

I would like to repay you, but...

Thank you very much for saving my siblings!

...Nothing we can do about it.

I can't accept that! You saved my life so I should at least repay you...

Alt... I'm really exhausted. Can we go and an inn?

You want to open that door again, huh?

The mother to do with you!

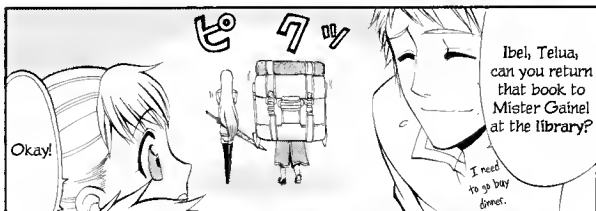

Huh... Um!

Oh, don't worry about it.

It's troublesome...

So, let's go Ferris.

Ibel, Telua, can you return that book to Mister Gainel at the library?

I need to go buy dinner.

T-That's great!

For the meantime, we can go to our house...

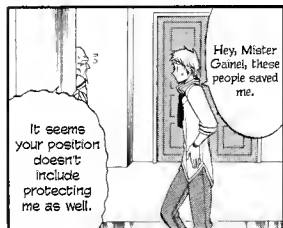

Instead, how about...

Yes, we can't just ignore your good will!

Ah! Now that I think about it, you can repay us!

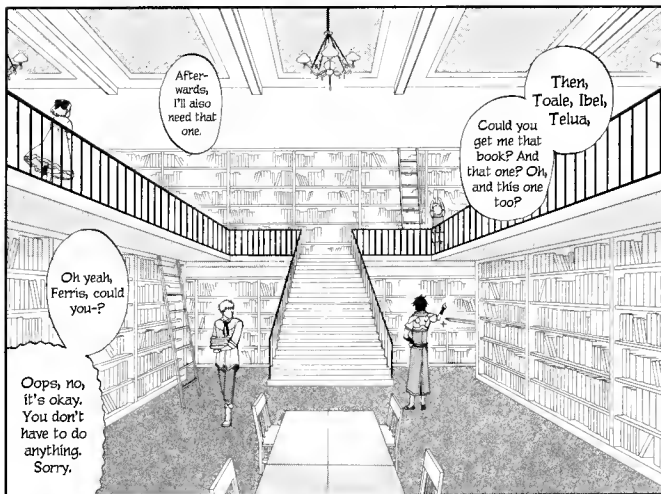

Wah!?

This is amazing!

Uwaaa—

After-
wards,
I'll also
need that
one.

Then,
Toale, Ibel,
Telua,
Could you
get me that
book? And
that one? Oh,
and this one
too?

Oh yeah,
Ferris, could
you—?

Oops, no,
it's okay.
You don't
have to do
anything.
Sorry.

Now then,
let's get
started...

Ah,
Could you
get me a pen
and paper?

Don't be surprised.

Someone famous?

Nope?

Do you even know who he is!?

You! Apart from me, no matter how much you helped Toale, you should never talk to him like that!

Toale is—

Nelpha's
Imperial Emperor
Gerad Nelphi's
grandson!

You don't understand at all!

Ah sorry, this?

Wow...
That's amazing.

Ah, Toale,
not that one.
That big, hori-
zontal book.

Yep.

Got'
cha.

Like I said, it's amazing. I was really surprised. Why is there still a problem?

As if!

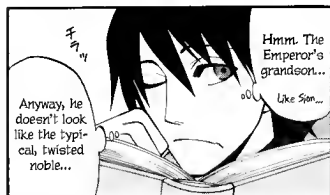

Hey, mister. Your face is pretty flushed. Your lifespan might be...

Did you even listen to what I said!? He's the grandson of Nelpha's Emperor!?

A... pain...?

But, it's a pain to get the book myself, you know?

Hmm. The Emperor's grandson...
Like Spn...

Mister Ganiel, please stop.

Whenever Toale goes shopping, I always read this!
It's a secret though, 'kay? ♥

Hey.

Just
what am I
reading...?

「Busty Attractive
Woman's...」

Wha-
?

Such... I
can't be-
lieve it!

I under-
stand
...

It's a
great
danger to
Roland...

However...
for Nelpha's
education to
have already
reached such
a low age
limit...

Hmm.

It's about
closing
time.

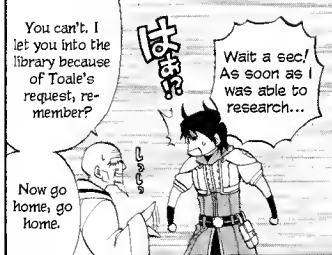

Now,
you should
all return
home for
the day!

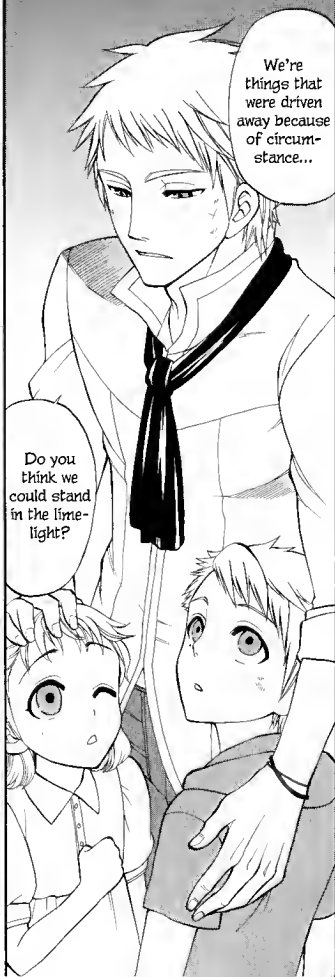

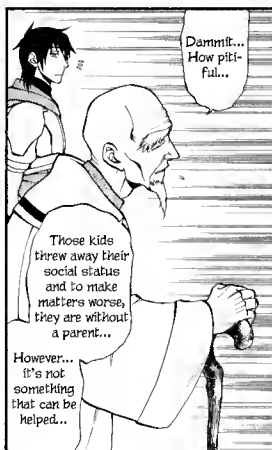

Daaa!
Just what
are you
reading!?

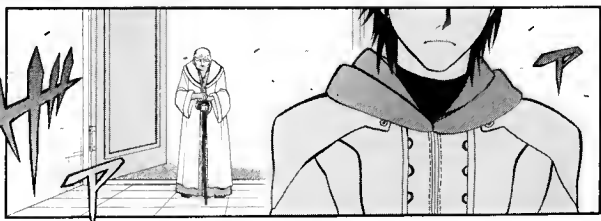

That girl
gave me Imperial
Nelpha's most
important
confidential
matters to
spend the
night—

Wrong!

Continued in Volume 3

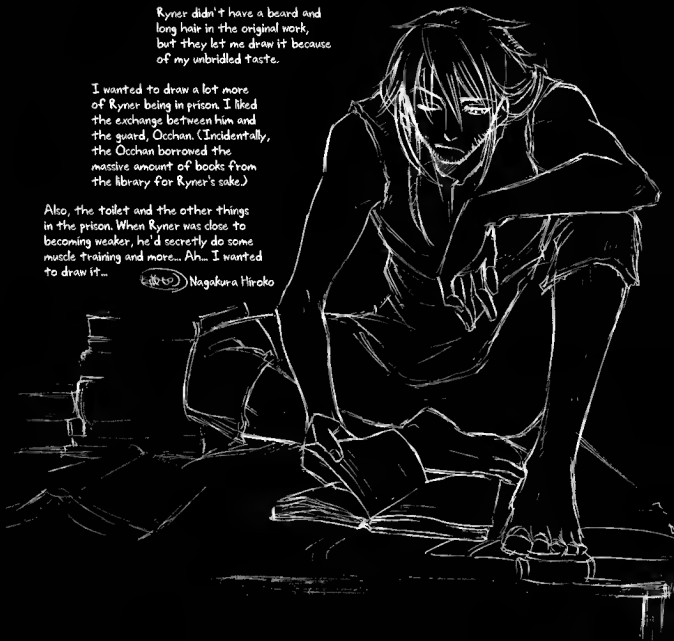

Bearded Ryner
in prison.

Ryner didn't have a beard and long hair in the original work, but they let me draw it because of my unbridled taste.

I wanted to draw a lot more of Ryner being in prison. I liked the exchange between him and the guard, Occhan. (Incidentally, the Occhan borrowed the massive amount of books from the library for Ryner's sake.)

Also, the toilet and the other things in the prison. When Ryner was close to becoming weaker, he'd secretly do some muscle training and more... Ah... I wanted to draw it...

DENYUUDEN
AFTERWORD
TAKKI-NEWS
②

When I draw manga and I reach my favourite scene I get really fired up. Please forgive me for going overboard. I'm grateful to Kagami and Toyota-sensei!!!

Like I said, that's Mik's nose-bleed!!

This time, the afterword is three pages long and I've drawn my favourite characters above (who are really popular too).

And now for a bit of a tangent...

I'm happy to meet you all again. I'm Nagakura Hiroko.

Thank you for purchasing Denyuuden Volume 2, everyone!

The day before it went on sale I was extremely nervous but my supervisors cheered me up.

Well, that was my impression.

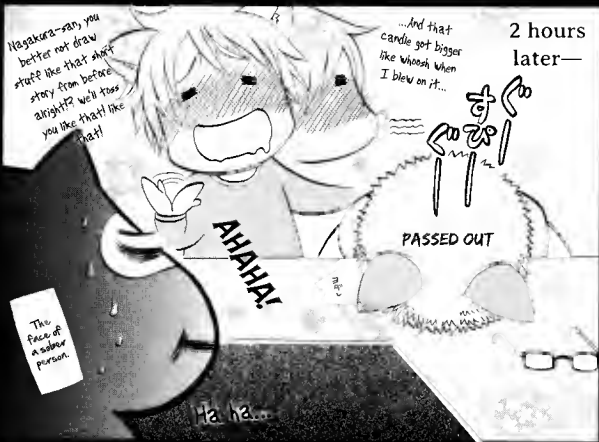

The meat we ate was extremely tasty.

Bewitchingly good raw fish ☆

After the first volume's completion, we held a 'Celebration' party by going out to eat yakiniku with the previous and current supervisors.

About the bar-be-que party

Hagakura-san, you better not draw stuff like that short story from before alright? We'll toss you like that! like that!

...And that cardle got bigger like whoosh when I blew on it...

2 hours later—

PASSED OUT

The face of a sober person.

Ha ha...

After that I received an apology text from my supervisors.

What? What's wrong?

(Elder sister in Shizuoka)

When I returned home I called my elder sister and complained: "I want to be able to handle alcohol!"

Was a recommendation for Denyuuden's first volume.

On the author of "Otaku's Daughter"'s - Sutahtiro's - blog...

Look at Sutahtiro's blog

One day I got a mail from my supervisor.

Something that moved me

Fuooooo

Actually, allow me to introduce myself!

How can it be!? In the last part of the afterword I'll mention this year's New Year's party—

I still feel deeply moved from when I read Kagesaki Yuna's second volume of "AION"...

And I'm so happy these days from the fan letters (texts) I've been getting.

Thank you very much!

I take this moment to say

I've introduced various people, and things I'm happy about... Once we've been acquainted I'll be deeply moved.

With love and gratitude to everyone who's supporting and cheering for me.

-Special Thanks-

Peach-san, Narita, Hiyoko-san, Tsurara-san, XIE-san, Supervisor Niku-sama, and to you who bought this book.
